BE SET TO SUCCEED

Bryant University
BRYANT’S MISSION
is to educate and inspire students to discover their passion and become innovative leaders with character around the world.

For more than a century and a half, Bryant has inspired excellence. We empower students to ask Why? What if? and Why not? – to think that anything is possible, that no idea is too big, and that unique paths often lead to the richest rewards.

Our student-centered focus is at the heart of everything we do. At Bryant, you’ll belong to a close-knit and collegial community with an atmosphere of purpose. Your professors are committed to your success and will help you reach your fullest potential.

Bryant’s approach prepares you for both professional success and personal fulfillment. Inspired to excel, you’ll achieve more than you ever thought possible.

ACADEMIC excellence

FROM YOUR FIRST DAY ON CAMPUS, BRYANT DELIVERS AN INTEGRATED CURRICULUM THAT IS NATIONALLY RECOGNIZED FOR INNOVATION

At Bryant, you’ll combine the best of both worlds by completing either a major in business and a complementary minor in the liberal arts, or a major in the arts and sciences and a minor in business. You’ll discover your passion – and figure out how to turn it into a meaningful career.

Our faculty, whose expertise is sought after around the globe, will engage you in ways that educate the whole person and bring their field–tested experience into the classroom. You’ll work with an industry executive in one course and gain real–world experience through service learning in the next.

Your Bryant education will help you see the big picture and understand how all the pieces fit together.

GLOBAL perspective

BRYANT’S INTERNATIONAL FOCUS WILL EXPAND YOUR WORLD

Your Bryant experience will help you become a true citizen of the world. You’ll build confidence, embrace exciting new opportunities, and develop the global perspective and intercultural knowledge you’ll need to succeed.

Extensive study abroad and travel opportunities, combined with globally oriented coursework and intercultural events, will help you understand the dynamic intersections of different cultures and ideas. You’ll learn to challenge assumptions, explore diverse perspectives, and come up with creative solutions for an ever–changing world.

50% of Bryant students study abroad

BRYANT ZHUHAI
International experience and cultural understanding are key aspects of a Bryant education. Five years ago, Bryant opened Bryant Zhuhai, a cornerstone of our international approach.

Located in Zhuhai, China, directly across the bay from Hong Kong, this groundbreaking joint collaboration with Beijing Institute of Technology educates both U.S. and Chinese students and provides the global perspective that is essential for success in today’s international business world.

100% of Bryant’s academic facilities are purpose–built to enhance teaching and learning. Our Academic Innovation Center advances collaboration, communication, creative problem–solving, and critical–thinking.

Our Transfer Transitions course, which you’ll take your first semester at Bryant, provides a unique forum for honing creative problem–solving skills and learning the innovation process.

Transfer Transitions will also help you to start your Bryant experience and connect you to friends and resources.

Bryant’s exceptional faculty engage students with hands–on learning through:
- business simulations
- competitions
- consulting opportunities
- practicum experiences
- social entrepreneurship

“Bryant University’s idea is truly path–breaking, and just what society needs, uniquely blending business and the arts and sciences in a real–world context that is perfect for preparing leaders.”

INSPIRED TO EXCEL: Valuations and Financial Advisory at RSM US LLP

“I decided to go to school at Bryant University because I wanted an edge. After talking with students about all the incredible things they were doing here, and learning about the internships that were available and the companies that recruit from here, I knew it was the place for me. Bryant’s mix of courses gives you both the practical and theoretical aspects you need, as well as an international outlook. I’ve learned so much about global economics through my coursework and projects. Internships with companies like PwC taught me to how do business with other countries around the world.

If you want to have a career in business, I believe that Bryant is definitely the first and only place you should consider. The opportunities here are endless.”

BRYANT’S PURPOSEFUL AND COLLEGIAL CAMPUS LIFE IS DESIGNED TO ENHANCE YOUR LEARNING EXPERIENCE

From the moment you set foot on the Bryant campus, you’ll feel the difference. Our community encourages different perspectives and celebrates racial, cultural, gender-based, and religious diversity. Student life here is purposeful, engaging, and inspiring.

It’s the best environment to bring out the best in you. More than 80 percent of Bryant’s students live on campus, where they enjoy a dynamic 24/7 learning environment. Through more than 100 student organizations, including academic clubs, community service groups, club sports teams, and cultural organizations, you’ll form lifelong bonds with classmates and enhance your ability to lead and collaborate.

Our 22 Division I varsity sports teams inspire Bulldog pride and bring the community together throughout the school year.

“I transferred to Bryant because I knew that I would be able to get the education and experience I needed here, and that I would be a part of a close-knit, caring community. Bryant feels like home. Everyone here is dedicated to helping you succeed and wants to make sure that you’re having the best experience you possibly can. There are so many opportunities to get involved in clubs and activities and make new friends. That sense of community extends to the classroom as well. I loved working with other students on group assignments and projects and my professors were always checking in to make sure that I was doing OK and that I understood the material. Bryant opened up a whole new world of new ideas and options for me. It’s a world I wouldn’t have gotten to experience anywhere else.”
To make an impact in the real world, you have to be ready for the real world. At Bryant, you’ll not only learn important theories and ideas, you’ll apply them in ways that make a difference.

You’ll examine how policies and business plans affect real people, and the role you can play in ensuring the best outcome. Our innovative approach to teaching and learning challenges assumptions, hones your critical reasoning ability, and helps you develop the insight to understand – and solve – big problems.

Collaborative and experiential learning are hallmarks of a Bryant education. Academic competitions, business simulations, group projects, internships, practicum experiences, and social entrepreneurship are just a few of the ways you’ll expand your knowledge and skillset and prepare to become a game changer and impact thinker.

At Bryant, you’ll learn how to manage projects, work in teams, and creatively solve problems – skills that will give you an important edge in the job market. You’ll be able to take your talents and interests and turn them into a career you’ll love.

The nationally recognized programs of Bryant’s Amica Center for Career Education will help you develop lifelong career skills and make invaluable connections.

Through Bryant’s international alumni network, you’ll be able to find a mentor who can give you personalized advice from first-hand experience – no matter your field or location.

As you create your path to success, you will also cultivate the qualities of character required for effective, ethical leadership. Put all of that together, and you’ll understand why Bryant graduates are so highly sought after by employers.

Lauren Rochefort ’19
MAJOR: Biology: Pre-Medical and Health Professions
HOMETOWN: Woonsocket, RI
INSPIRED TO EXCEL: Quality Control Analyst at Rentschler Biopharma SE

“I’ve always loved science and want to use what I’ve learned to help others. When I transferred to Bryant, I had lots of questions. I wasn’t sure what my future would be or even what my options were. I didn’t have to worry, though, my professors and mentors helped me figure out my path and how to get where I wanted to go. Through them I found the Biology: Pre-Medical and Health Professions track, which I loved.

At Bryant, you have a lot more one-on-one time with your professors. You can ask questions and they’ll take the time to make sure you have the answers, they’ll help you find opportunities that are perfect for you.

I had the opportunity to do important research at Bryant, and to present my findings at several national science conferences. I’m glad that work I’ve done will be used by others in my field.”

Katelyn Williams ’18
MAJOR: Human Resource Management
MINOR: Communication
HOMETOWN: Medfield, MA
INSPIRED TO EXCEL: Senior Talent Management Specialist at United Site Services

“Initially, I thought I wanted to go to college at a big state school, but I decided to transfer to Bryant University because I knew the school’s commitment to personalized attention would help me to excel, both in class and beyond.

My courses helped me to see beyond the textbook and gain real-world experience. Discussion-based classes and group assignments let me really immerse myself in the subject matter. The projects I did with companies like Amica allowed me to explore what it will be like out in the workforce.

Integrity is an important part of the coursework here and it was important to my professors that I was able to make the right choices and be a strong leader. Bryant gave me the confidence to believe in my work and believe in myself.”

MAKING A difference
YOUR BRYANT EXPERIENCE WILL HELP YOU GROW AS A PERSON AND AS A LEADER

EXPERIENCE BRYANT

While Bryant University’s Admission team enjoys welcoming visitors to campus, in-person events have been moved online due to the COVID-19 pandemic. To help you learn more about Bryant, we’ve created a variety of virtual events and video features, replicating the information you would have obtained during an in-person visit.

Check out the full calendar of virtual admission events at explore.bryant.edu. You can attend a class virtually, take a student-guided virtual tour, and talk with current students, faculty members, and staff. We also offer self-guided tours by appointment.

As Rhode Island’s re-opening plans develop, visit bryant.edu/reopening for up-to-date information.

MORE INFORMATION
For more information about coming to campus, visit bryant.edu/visit.

INTERVIEWS
We offer interviews and informal transfer chats Monday – Friday. To schedule an interview, please call 800.622.7001. Registration for transfer chats is at www.bryant.edu/visit-campus.

VIRTUAL TOUR
To take a virtual tour of campus, visit www.bryant.edu/virtualtour.

The Bryant Advantage for Transfer Students

Whether you transfer to Bryant from a four-year institution or a community college, our dedicated team of experts will help you through the process. We offer some distinctive advantages for transfer students:

• Information sessions are designed specifically for students who are interested in transferring to Bryant.
• Members of the transfer admission staff are available to meet with prospective students and review unofficial transcripts.
• An evaluation of transfer credits will be included in your acceptance package, along with a checklist of courses required for your chosen academic program. This will enable you to see which of your courses transferred and how many you’ll need to graduate.
• A transfer student orientation session, for those who enter in either January or September, will help ease your transition to campus and give you the opportunity to meet members of the Bryant community.
• As a transfer student, you can register for classes as early as December 1 (spring semester) and May 1 (fall semester).
• During registration, transfer students will work with academic advisors to select their classes.
• As part of the curriculum, transfer students will take a one-credit college success course, Transfer Transitions, specifically designed for them.

TRANSFER CREDIT
• Up to 62 credits from a two-year college and 92 credits from a four-year college may be accepted for transfer credit.
• Courses in which a student receives a grade of “C” or better are transferrable, as long as the courses fit into the Bryant curriculum.
• Certain courses may require faculty approval before credit can be awarded.
